ARRANGEMENT

**GENERAL ARRANGEMENT**

4 stateroom 4.5 head arrangement (2 crew staterooms, 2 crew heads)

- On deck master (5 staterooms and 5.5 heads)..... OPT
- Double aft VIP staterooms..... OPT

**INTERIOR APPOINTMENTS**

**Wood Finishes / Wall Covering:**

- Hand crafted European walnut with satin finish interior..... OPT
- Mahogany, satin finish..... OPT
- Rosewood, satin finish..... OPT

Fabric headliner installed on track system throughout

**Flooring:**

MY tier 3 flooring includes - engineered hardwood flooring in galley, dining, salon, and day head; teak flooring in raised pilot house; carpet in all staterooms; tile flooring in master head and guest heads; engineered vinyl flooring in crew heads (flooring tier upgrades available at Hatteras Design Center)

**Integrated Interior Furnishings:**

- Stone countertop center island with four detached bar stools and storage; stone pedestal table with dinette seating and ample storage in galley
- Sculptured drop soffit, centrally located over dining table, made from wood, stainless, and mirror. Fitted with contemporary light fixture and discreet LED rope light
- Service bar with stone top and backsplash in companionway
- King sized berth with storage underneath, upholstered headboard and base, nightstands, and two dressers in master stateroom
- Queen sized tapered berth with storage underneath, upholstered headboard and base, night stands, armoire in bow stateroom
- Twin berths with upholstered headboards and bases, with nightstand in starboard stateroom
  - Sliding berth in starboard stateroom..... OPT
- Twin berths that convert to a queen with upholstered headboard, nightstand in port stateroom
- Cedar lined storage areas in all staterooms
- Over/under crew stateroom, double berth captain stateroom, with upholstered berth faces, hanging lockers, dresser and night stands in crew quarters
- Lounge seating with solid surface dinette table in crew lounge
- Elevated L-shaped lounge, stone tables with stainless steel pedestal, and adjustable helm chair in Raised Pilot House
- Towel bar, towel ring, and tissue holder accessories in all heads
- Full-length mirror in all staterooms
  - Safe in master stateroom closet..... OPT

**Furniture:**

Salon: L-shaped sofa, arm chairs (2) cocktail table (allowance)  
 Dining: formal dining table and 8 chairs (allowance)  
 Buffet cabinet in salon/dining room

**Interior Lighting:**

LED lighting throughout, dimmable in master stateroom, bow stateroom, salon, galley, and Pilot House  
Lighted stairways

**Mattresses:**

- System 5 premium mattress in master stateroom
  - Mattress system upgrade in master stateroom..... OPT
- System 3 premium mattress in all guest staterooms excluding crew
  - Mattress system upgrade in all guest staterooms excluding crew..... OPT
- Talalay latex mattress in crew quarters
  - Mattress system upgrade in crew quarters (upper bunk not applicable)..... OPT

**Design Features:**

- Companionway access hatches to all bilges
- Elegantly decorated MY tier 3 interior fabrics, linens, bedding, wallcoverings, stone, tile, and countertops (tier upgrade selected at Hatteras Design Center)
- Fixed frameless windows with tinted safety glass and privacy blinds in salon
- Port lights with privacy blinds or black out panels in staterooms
- Skylight in galley with dimmable smart glass
  - Dimmable smart glass forward window in galley over dinette..... OPT
  - Power blinds in main deck salon and dining..... OPT
  - Power blinds in main deck salon, dining and all staterooms..... OPT

**EXTERIOR APPOINTMENTS**

**Exterior Furniture:**

Four armless collapsible chairs on aft deck

- Upgraded chair package on aft deck..... OPT
- Additional chairs with cover on aft deck..... OPT
- Additional chairs with cover..... OPT
- Flybridge aft deck furniture package..... OPT

**Integrated Exterior Furniture:**

Teak table with cover, molded bench seating with cushions on aft deck

Modular fiberglass furniture (5 pieces) including cabinets and/or lounges with cushions in a custom designed layout, two adjustable helm chairs on flybridge

Lounge seat on bow deck

- Exterior cushion and seating covers ..... OPT
- Sail shade on aft flybridge deck..... OPT
- Sail shade for bow lounge area..... OPT
- Teak decking on aft deck..... OPT
- Teak steps to flybridge..... OPT
- Teak steps to swim platform..... OPT
- Teak on flybridge and boat deck sole..... OPT
- Teak swim platform..... OPT
- Teak on hydraulic swim platform..... OPT
- Teak cap rail, high gloss finish..... OPT

**Exterior Engineering:**

Electric salon door

Pantograph door port side

Stainless steel sliding door to starboard side deck

Pantograph bustle door

Painted aluminum radar mast

Open air flybridge

- Full enclosure on flybridge..... OPT

Sliding door at bridge deck to pilot house

Aft deck access door to crew quarters

- Hydraulic swim platform..... OPT
- Articulated ladder to optional hydraulic swim platform..... OPT
- Articulated boarding ladder with dedicated storage..... OPT
- Passerelle..... OPT

**Exterior Hardware and Anchoring System:**

Polished stainless steel railings on bow, side decks and flybridge

Polished stainless steel grab rails and stanchions

Stainless steel deck fills for fuel, water, and waste pump out

Dual air horns

Stainless steel gates from aft deck to swim platform

Bulwark gates port and starboard

Stainless steel reboarding ladder

Dual polished anchors with 350 feet of chain each

- Chain counter and display..... OPT

Dual hydraulic anchor windlasses with controls at anchor and helm stations

Dual chain stops

- Port and starboard stern docking windlass, 4,000 pound..... OPT

4 stainless steel horn hawsers and 4 fixed polished stainless steel cleats

Two polished stainless steel pop-up cleats on swim platform

Solid stainless steel rub rail

- Kahlenberg air horn with larger compressor..... OPT
- Transom bustle hoop rails..... OPT
- Hydraulic davit, 2,000 Pounds (non-telescoping)..... OPT

**Exterior Lighting:**

Overhead tricolor LED lights

Low level courtesy LED white lights

- Low level courtesy LED bicolor white/blue lights..... OPT

Two transom LED underwater lights

- Bicolor underwater lights (2)..... OPT
- Full spectrum underwater dancing lights (2)..... OPT
- Provisions for lighted transom name..... OPT

**APPLIANCES**

**Interior Appliances:**

- Upright 48" refrigerator with freezer and icemaker, four-burner ceramic cooktop, Microwave/convection oven, dishwasher, wine cooler, sink with garbage disposal in galley
  - Trash compactor ..... OPT
  - Clear ice maker in salon..... OPT
  - Appliance panels to match cabinetry..... OPT
  - Appliance in lower cabinet of service bar near staterooms..... OPT
- Wet bar with refrigerator, icemaker, and bottle and glass storage in salon
- Washer and dryer in companionway

**Exterior Appliances:**

- Wet bar with solid surface countertop, sink, refrigerator, icemaker and three barstools, large electric grill on flybridge
  - Additional ice maker under exterior steps to bridge..... OPT

**Crew Appliances:**

Abbreviated galley including microwave/convection oven, refrigerator, sink and storage, washer and dryer in crew quarters

**SYSTEMS**

**Propulsion / Fuel Systems / Hull Design and Performance:**

- Twin Caterpillar® C-32A 1,800 BHP diesel engines with digital engine monitoring
  - Twin Caterpillar C-32A 1,900 BHP diesel engines with digital engine monitoring ..... OPT
  - Twin MTU 16V-2,000 / 2,600 BHP diesel engines..... OPT
  - CAT Three60 joy stick control system (available with C-32A only) requires selection of optional stern thruster..... OPT
  - Wing docking stations (2) with clutch, throttle, and bow thruster control on the port and starboard sides of flybridge.... OPT
  - Wing docking station with clutch, throttle, and bow thruster control on aft deck..... OPT
  - Wing docking station with CAT Three60 joystick control..... OPT

Resin-infused foam core with solid fiberglass hull bottom; resulting in stronger and lighter construction, backed by Hatteras 10 year hull warranty

Hull and super structure painted with a premium polyurethane coating for increased durability and improved cosmetic finish

Ablative polymer/copper based anti-fouling bottom paint

Molded fiberglass longitudinal stringers with steel engine beds

Finished engine room and bilges for improved cosmetics

Fuel water separator/filters with electric priming pumps

Fuel transfer system with integrated pump protection and full tank shut of switch

- 30-micron triple Racor filtration on fuel transfer pump ..... OPT

Oil changing system for engines, generators and gears

- Two 110 gallon oil storage tanks plumbed to oil changing system..... OPT

Fiberglass fuel tanks constructed with fire-retardant resin and bronze fittings

Hatteras integrated engine room air intake demister system

Bronze rudders with manganese bronze dripless rudder seals

Alloy 22 high strength propeller shafts tapered with round keys for reduced stress concentrations at propeller and coupling ends

Manganese bronze struts and engine coupling

Nibral high performance 8 blade propellers for smooth ride and improved efficiency

Noise reducing generator exhaust water separator

Fin stabilizer system

Hydraulic 55 HP bow thruster

- Hydraulic 45 hp stern thruster..... OPT
- Zero Speed stabilizer system..... OPT

**Engine Room Systems:**

FM200 fire extinguisher system with automatic and manual controls

24VDC bilge and sump pump systems

High volume emergency bilge pump

All underwater through hull valves are bronze/chrome through-bolted with electrical bonding throughout

Electric power assisted steering

AC compressed air system with air line and regulator with accessory connection

Two AC ventilation fans

- Two tubeaxial variable speed blowers..... OPT

DC ventilation blower

- Storage racks in engine room..... OPT

**Air Conditioning:**

HVAC controls located in Pilot House, galley, and all staterooms

Interior chilled water air conditioning, (3) 5-ton, with reverse-cycle heating and soft starting AC compressors

Recirculating fans in all heads

- Overboard discharge for head exhaust fans..... OPT
- Air Conditioning, 48,000 BTU capacity on flybridge, includes full enclosure..... OPT

**Water Systems:**

Freshwater wash down outlet on swim platform, bow deck, aft deck, and flybridge

Fresh water swim shower on swim platform

Shower with door in all lower level heads

AC fresh water pump

Centralized freshwater manifolds with shutoffs

(2) 50 gallon & (1) 30 gallon 240 volt water heaters

820 gallon fiberglass water tank

420 gallon fiberglass holding tank with deck plate and 24V overboard discharge pump

Holding tank 3/4 full indicator light in all heads

Freshwater toilets in all heads

Dockside water connection with pressure regulator

- Spot Zero..... OPT
- Plumbed AC backup fresh water pump..... OPT
- Water maker - 1,800 GPD..... OPT
- Sewage treatment system..... OPT

**Electrical Systems:**

240V, 100A retractable shore cords with wireless remote control (2)

100A polarization transformers with boost function (2)

AGM 24 volt heavy duty marine battery banks mounted in fire retardant fiberglass boxes (2)

Automatic battery charger (2)

Automatic battery paralleling system with switch on helm console

Battery control panel with fuses and isolation switches located in engine room

AC and DC distribution panels with magnetic circuit breakers

DC electronics panel with magnetic circuit breakers on flybridge

Smoke detectors located in all staterooms, salon, galley, crew's lounge and electronics Locker

CO detectors located in all staterooms, salon, galley and crew's lounge

USB charging ports in all staterooms, salon, galley and crew's lounge

Two 40KW generators

Accessible AC outlets with ground fault protection throughout

- Atlas shoreline frequency converter - requires selection of optional tubeaxial variable speed blowers..... OPT

**System Monitoring and Yacht Management:**

Computer controlled Ethernet monitoring system with LCD touch screen display providing visual and audible signals for engines, gears, generators, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine compartment, AC power loss, smoke detectors, tank level indication, low battery voltage, battery charger failure, bilge pump control and run indication, holding tank pump control and run indication, and carbon monoxide detectors. A history log is maintained for critical alarms and trends may be set up to view parameters with respect to time

Control station with all necessary switches, clutch and throttle controls (electronic) with emergency back up and engine synchronization, back-up controls, power assisted steering, lighted compass

**Entertainment Equipment:**

Independent audio video system in each stateroom including: LED televisions, Bluetooth,

DC AM/FM radios and CD players

Fully integrated audio video system in main interior and exterior living spaces to include: LED TV and

Blu-Ray (salon), stereo speakers and remote stereo display, and Bluetooth

Omni-directional TV antenna

- Premium audio visual system with Crestron automation, integrated storage and dedicated whole boat network (suggested to be combined with internet connectivity and entertainment package)..... OPT
- Internet connectivity and entertainment package, including cellular data access, whole boat wifi, and Direct TV with 6 tuners..... OPT
- Satellite internet package..... OPT
- 40" class outdoor TV with automatic fold down lift on aft deck..... OPT

**China, Crystal and Flatware:**

Formal china, crystal and flatware with integrated storage; service for 8 (additional place settings and glassware options are available at the Hatteras Design Center)

**Supply Items:**

- Stern staffs with ensign
- Braided nylon mooring lines (6)
- Fenders (4)
- Life jackets (12)
- Life ring (2)
- Cordless portable vacuum w/mounting brackets (2)
- Allowance for navigational electronics such as radar, depth sounder, automatic identification system, GPS/plotter, VHF radios, hailer horns, and autopilot (see supplement)
- Flare gun with flares
- Fog bell
- First aid kit
- Portable "drychem" fire extinguishers in compliance with USCG and ABYC standards
  - Prop removal and installation tool..... OPT
- Vessel supply items (details in supplement)
  - Two 10 person life rafts with hydrostatic release on boat deck in compliance with United States Coast Guard and ABYC standards ..... OPT

**HATTERAS WARRANTY**

1 year world wide warranty: see Express Limited Warranty for details
