GENERAL ARRANGEMENT

4 stateroom 3.5 head arrangement (1 crew stateroom, 1 crew head)

- Additional crew stateroom OPT
- 2 twin berths in starboard stateroom in lieu of full berth OPT
- Enclosed flybridge with internal stairwell OPT

INTERIOR APPOINTMENTS

Wood Finishes / Wall Covering:

- European Walnut with satin finish interior OPT
- Rosewood with satin finish interior OPT

Fabric headliner installed on track system throughout

Flooring:

M-series tier 2 flooring includes - engineered hardwood flooring in galley, salon, and day head; carpet in all staterooms; tile flooring in master head and guest heads; engineered vinyl flooring in crew head (flooring tier upgrades available at Hatteras Design Center)

Integrated Interior Furnishings:

Center island with stone countertops and storage, stainless steel pedestals and glass table tops with dinette seating in galley

King sized berth with storage underneath, dressers, night stands and walk-in closet in the master stateroom

- Sofa in place of port dresser OPT
- Vanity in place of port dresser OPT

Queen sized tapered berth with storage underneath, night stands and two hanging lockers in bow stateroom

Twin berths with storage underneath and hanging locker in port stateroom

- Pullman on forward bulkhead in port stateroom OPT
- Pullman on aft bulkhead in port stateroom OPT

Full berth with storage underneath, night stand and hanging locker in starboard stateroom

- Pullman on aft bulkhead in starboard stateroom OPT

Single berth, night stand and hanging locker in crew stateroom

Cedar lined storage areas in all staterooms

Furniture:

Sofa and ottoman with storage, club chair and end table in salon

Interior Lighting:

Dimmable LED lighting throughout living areas

Lighted stairways

Mattresses:

System 4 premium mattress in master stateroom

- Mattress system upgrade in masterstate room OPT

System 3 premium mattress in all guest staterooms excluding crew

- Mattress system upgrade in all guest staterooms excluding crew OPT

Talalay latex mattress, mattress pad, sheet set in crew stateroom

- Mattress system upgrade in crew quarters OPT

Design Features:

M-series tier 2 interior fabrics, wallcovering, and countertops (tier upgrades available at Hatteras Design Center)

Fixed frameless windows with tinted safety glass and privacy blinds in salon

Port lights with privacy blinds or black out panels in staterooms

Overhead atrium window with tint, panoramic view and accent lighting

- Atrium with dimmable smart glass OPT

EXTERIOR APPOINTMENTS

Exterior Furniture:

Three armless collapsible chairs on aft deck

- Upgraded chair package on aft deck OPT
- Additional chairs on aft deck OPT
- Additional chairs with cover on aft deck OPT
- Flybridge aft deck furniture package OPT

Integrated Exterior Furniture:

Dinette and chaise lounge with cushions and storage underneath, Teak table with cover and stainless steel pedestals, two adjustable helm chairs on flybridge
Lounge with cushions upholstered in exterior grade fabric and Teak table with cover and stainless steel pedestals on aft deck
King size sun lounge, two bench-style seats with cushions, on bow deck

- Exterior cushion and seating covers OPT
- Sail shade on aft flybridge deck OPT
- Sail shade for bow lounge area..... OPT
- Teak aft deck..... OPT
- Teak steps to flybridge..... OPT
- Teak steps to swim platform..... OPT
- Teak on flybridge and boat deck sole..... OPT
- Teak on flybridge and boat deck sole (with enclosed flybridge option)..... OPT
- Teak on swim platform..... OPT
- Teak on hydraulic swim platform..... OPT

Exterior Engineering:

Manual salon door with electric brake

- Electric salon door..... OPT

Pantograph door starboard side

Pantograph bustle door

Painted aluminum radar mast

Fiberglass hardtop with 3 sided acrylic enclosure on flybridge

- Full enclosure on flybridge..... OPT

Electrically actuated access hatch to crew’s quarters

- Bow deck table with removable bolster seating..... OPT
- Hydraulic swim platform..... OPT
- Colored hardtop (non-metallic)..... OPT
- Articulating boarding ladder with dedicated storage..... OPT
- Articulating teak stairs to optional hydraulic swim platform..... OPT
- Aft deck access door to crew quarters in lieu of aft deck bar..... OPT

Exterior Hardware and Anchoring System:

Polished stainless steel railings on bow, side decks and flybridge

Polished stainless steel grab rails and stanchions

Stainless steel deck fills for fuel, water, and waste pump-out

Dual air horns

Stainless steel gates from aft deck to swim platform

Bulwark gates port and starboard

Stainless steel swim ladder

90 pound polished plow anchor with 300 feet of chain

- Chain counter and display..... OPT

Maxwell 24V DC 3,500 pound windlass, with controls at anchor and helm station

- Port and starboard stern docking windlass, 2,200 pound..... OPT

Polished stainless steel anchor chute

Eight fixed polished stainless steel cleats with chafing strips

Two polished stainless steel pop-up cleats on swim platform

Solid stainless steel rub rail

- Hydraulic davit - 1,500 pounds (non-telescoping) OPT

Exterior Lighting:

Overhead tricolor LED lights

Low level courtesy LED white lights

- Low level courtesy LED bicolor white/blue lights..... OPT

Two transom LED underwater lights

- Bicolor underwater lights (2)..... OPT
- Full spectrum underwater dancing lights(2) OPT
- Provisions for lighted transom name..... OPT

APPLIANCES

Interior Appliances:

- Upright refrigerator with freezer and icemaker, four-burner cooktop w/ vent, microwave/convection combo oven below cooktop, dishwasher, sink with garbage disposal in galley
 - Wine cooler in salon OPT
 - Clear ice maker in salon..... OPT
 - Trash compactor in galley..... OPT
- Bar with glass and bottle storage in salon
- Washer and dryer in companionway closet

Exterior Appliances:

- Fiberglass cabinet with outdoor grill and wet bar cabinet with sink and refrigerator/freezer drawer unit on flybridge
- Bar cabinet with sink and refrigerator on aft deck
 - Kenyon Texan grill on flybridge..... OPT

Crew Appliances:

- Crew quarters freezer..... OPT

SYSTEMS

Propulsion / Fuel Systems / Hull Design and Performance:

- Twin Caterpillar® C-32A 1,600 BHP diesel engines with digital engine monitoring
 - CAT Three60 joystick control system (With CAT C-32A 1,800 BHP or 1,900 BHP upgrade) requires selection of optional stern thruster..... OPT
 - CAT Three60 joystick control system (With CAT C-32A 1,600 BHP standard engines) requires selection of optional stern thruster..... OPT
 - MTU joystick control system OPT
 - Twin CAT C-32A 1,800 BHP diesel engines OPT
 - Twin CAT C-32A 1,900 BHP diesel engines OPT
 - Twin MTU 12V-2000 1,800 BHP diesel engines OPT
 - Wing docking station with clutch, throttle, and thruster controls..... OPT
 - Wing docking station with CAT Three60 joystick control..... OPT

Resin-infused foam core with solid fiberglass hull bottom; resulting in stronger and lighter construction, backed by Hatteras 10 year hull warranty

Hull and super structure painted with a premium polyurethane coating for increased durability and improved cosmetic finish

Ablative polymer/copper based anti-fouling bottom paint

Molded fiberglass longitudinal stringers with steel engine beds

Finished engine room and bilges for improved cosmetics

Fuel water separator/filters with electric priming pumps

Fuel transfer system with integrated pump protection and full tank shut off switch

- 30-micron triple Racor filtration on fuel transfer pump OPT

Oil changing system for engines, generators and gears

Fiberglass fuel tanks constructed with fire retardant resin and bronze fittings

Hatteras integrated engine room air intake demister system

Stainless steel rudders with manganese bronze dripless rudder seals

Alloy 22 high strength propeller shafts tapered with round keys for reduced stress concentrations at propeller and coupling ends

Manganese bronze struts and engine coupling

NiBrAl high performance 8 blade propellers for smooth ride and improved efficiency

Noise reducing generator exhaust water separator

Fin stabilizer system

Hydraulic 32 HP dual prop bow thruster

- Hydraulic stern thruster (required with CAT Three60 option or MTU joystick)..... OPT
- Zero Speed stabilizer system..... OPT

Engine Room Systems:

FM200 fire extinguisher system with automatic and manual controls

24VDC bilge and sump pump systems

High volume emergency bilge pump

All underwater through hull valves are bronze/chrome through-bolted with electrical bonding throughout

Electric power assisted steering

AC compressed air system with regulator and accessory connection

DC ventilation blower

- Storage racks in engine room..... OPT

Air Conditioning:

Interior air conditioning, 90,000 BTU capacity, with reverse cycle heat, and digital HVAC Controls

Recirculating fans in all heads

- Flybridge air conditioning, 32,000 BTU capacity with reverse cycle, includes full enclosure..... OPT
- Overboard discharge for head exhaust fans..... OPT

Water Systems:

Freshwater wash down outlet on swim platform

Fresh water swim shower on swim platform

AC fresh water pump

Centralized freshwater manifolds with shutoffs

(2) 20 Gallon 240 volt water heater

300 gallon fiberglass water tank

250 gallon fiberglass holding tank with deck plate and 24V overboard discharge pump

Holding tank 3/4 full indicator light in heads

Fresh water toilets

Dockside water connection with pressure regulator

- Spot Zero..... OPT
- Plumbed AC backup fresh water pump..... OPT
- Water maker - 1,800 GPD..... OPT

Electrical Systems:

240V, 100A retractable shore cords with wireless remote control (2)

100A polarization transformers with boost function (2)

AGM 24 volt heavy duty marine battery banks mounted in fire retardant fiberglass boxes (2)

Automatic battery charger

Automatic battery paralleling system with switch on helm console

Battery control panel with fuses and isolation switches located in engine room

AC and DC distribution panels with magnetic circuit breakers

DC electronics panel with magnetic circuit breakers

Smoke detectors located in all staterooms, salon, galley, and electronics locker

CO detectors located in all staterooms, salon and galley

USB charging ports in all staterooms, salon, and galley

Two 29KW generators

AC duplex outlet with ground fault protection throughout

- Atlas shoreline frequency converter..... OPT

System Monitoring and Yacht Management:

Proprietary HattCON Yacht Management System: seamless and intuitive interface includes navigation, ship management, and alarm monitoring: bilges, smoke, fire, CO detection, tankage levels, engine and propulsion data, generator data, and AC/DC power.

- Automated lighting and HVAC control through HattCON..... OPT
- Power blinds in master stateroom and salon..... OPT
- Power blinds in all staterooms and salon..... OPT
- Integrated HattCON window blind controls (must select automated lighting / HVAC system option and power blinds) .. OPT
- Remote monitoring with SMS text alerts..... OPT

Entertainment Equipment:

Independent audio video system in each stateroom including LED televisions, Bluetooth®,

DC AM/FM radios and CD players

Fully integrated audio video system in main interior and exterior living spaces including LED TV and

Blu-ray™ (salon), stereo speakers, remote stereo display, and Bluetooth

Omni-directional TV antenna

- 65" LG, OLED TV in salon..... OPT
- 48" class LED TV w/ lift in port side cabinet in salon..... OPT
- 32" class outdoor TV on adjustable mount on aft deck..... OPT
- Premium audio visual system with Crestron automation, integrated storage and dedicated whole boat network (suggested to be combined with internet connectivity and entertainment package)..... OPT
- Internet connectivity and entertainment package, including cellular data access, whole boat wifi, and Direct TV with 6 tuners..... OPT
- Satellite internet package..... OPT
- 40" class outdoor TV on adjustable mount on open flybridge..... OPT
- 20" class TV on swivel mount in galley..... OPT

China, Crystal and Flatware:

Formal china, glassware and flatware with integrated storage; service for 8

Supply Items:

- Stern staffs with ensign
- Braided nylon mooring lines (6)
- Fenders (4)
- Life jackets (10)
- Life ring
- Cordless portable vacuum with mounting brackets
- Fog bell

Portable “drychem” fire extinguishers in compliance with USCG and ABYC standards

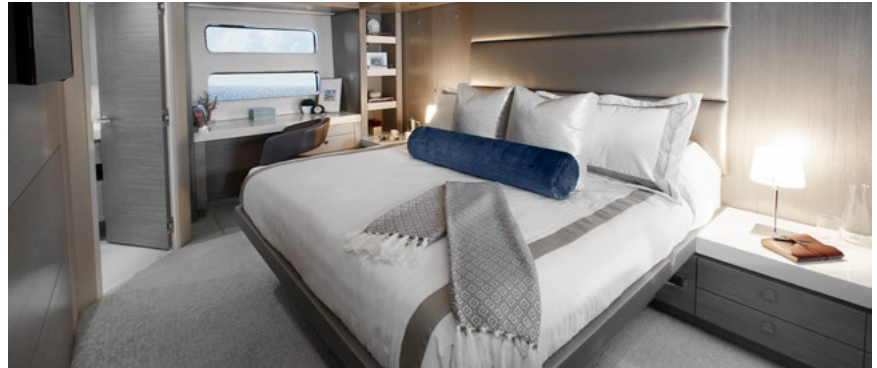

- Prop removal and installation tool..... OPT

Vessel supply items (details in supplement)

- One 12 person life raft with hydrostatic release on boat deck in compliance with United States Coast Guard and ABYC standards OPT
