

A vertical line of six flags hangs against a clear blue sky. The flags alternate in color: white, white, dark blue, dark blue, white, and white from top to bottom. Each flag features a black silhouette of a fish, likely a mackerel or similar species. The flags are attached to a thin black line, which is part of a larger rigging system visible in the upper right corner. The text 'CABO 41' is overlaid in the lower right quadrant.

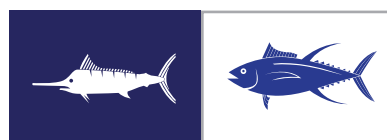

CABO 41

Introducing the CABO 41

For weekend warriors and serious fisherman focused on the catch, we know the ocean is more than a destination—it's your passion. CABO 41 does more than just get you there, it keeps you going. From kite fishing with live bait to deep-drop fishing for that trophy catch, everything else fades away. Do more, stay dry, and *Fish On*.

You understand the ocean.
You respect it—
the give and take,
the highs and the lows.

FISH ON

Fishing is a challenge.
It's not about odds.
It's about experience, being prepared.

Every time you walk the dock,
you prepare for the challenge.

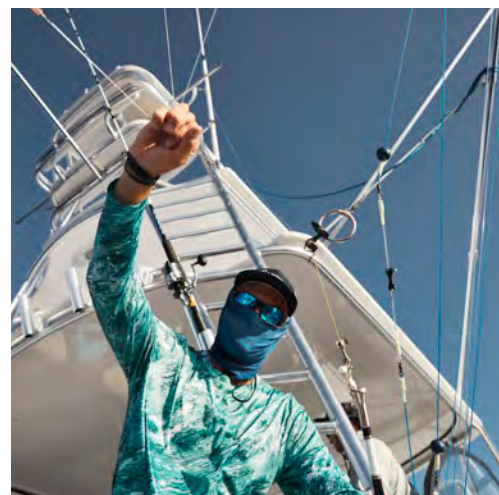

You know you have the best equipment
and the best tools. The best boat.
Now it's you against the ocean.
And doubt ... is lost in your wake.

As you set your lines, all the sweat,
all the years of dedication,
build up to that one great moment.

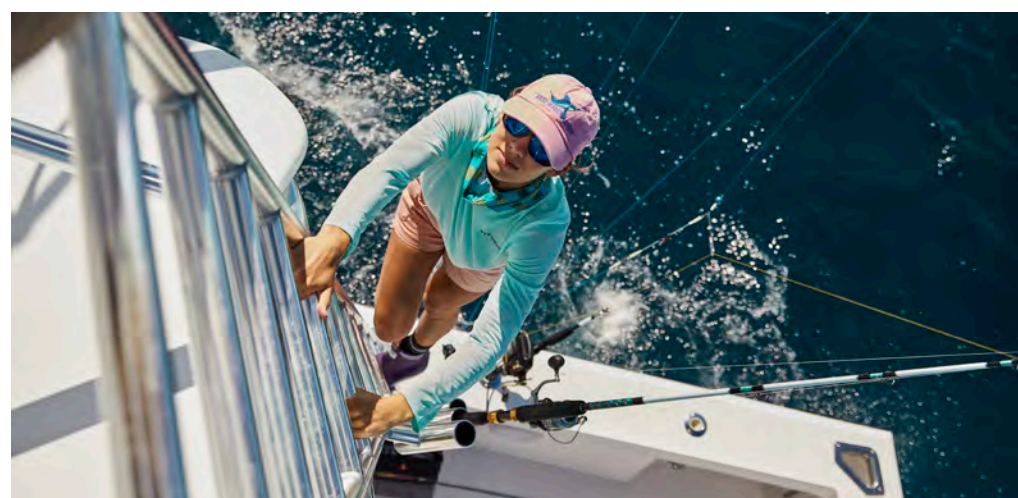

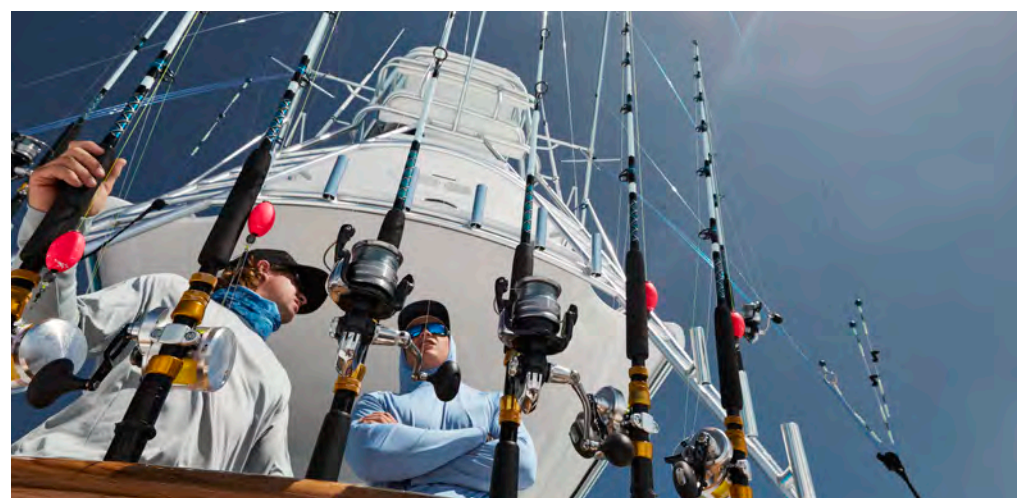

And if you're good enough
that moment will come again ...
and again.

You love the hunt
and the reward it brings.
To the victor ... go the spoils.

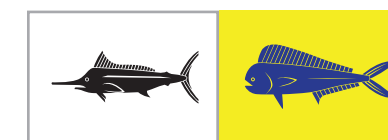

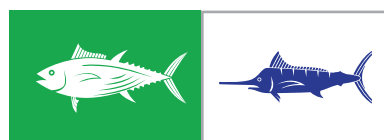

Pursue the ocean with confidence

CABO 41 has every detail covered, from the optional full tower with outriggers to the 500-pounds-per-day ice maker, rocket launchers, spacious seating, and tackle center. CABO 41 is purpose-built to give you a smooth ride, to keep you dry, and to let you get to the fishing. To see the full list of standard and optional items, turn to pages 14–15.

LIVE ON

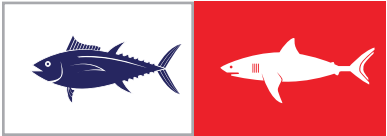

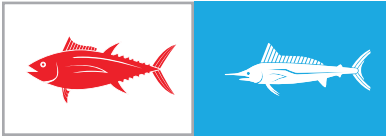

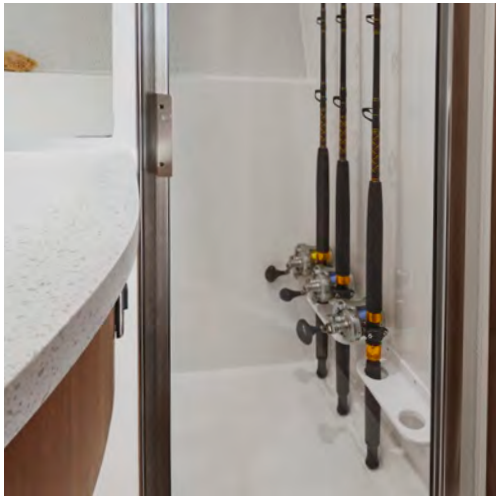

Below deck, rich earth tones, natural wood accents, and sleek contemporary design give you refuge from the sun, wind, and rain. Relax in truly livable spaces that provide a comfortable luxury on a yacht made for serious sport.

Elegant form meets function

Smart details such as built-in rod storage in the master stateroom and shower, as well as a fully-outfitted galley and comfortable salon lend extra performance to the elevated design. Choose from interior packages in Sandstone or Slate to suit your personal style.

GENERAL ARRANGEMENT		
1 stateroom, 1 head arrangement (sleeps 4)		Standard
COCKPIT/TOWER/ELECTRONICS		
Cockpit: 103 square feet including mezzanine with seating and cushions		Standard
Two insulated fish boxes, each with macerator		Standard
48 Gallon bait tank molded into transom		Standard
Stainless steel rod holders located in port (2) and starboard (2) gunwales		Standard
Tackle storage on mezzanine		Standard
Transom door with top gate, heavy-duty polished stainless steel hardware		Standard
Raw water washdown		Standard
Aluminum reinforcing plate installed for mounting fighting chair or rocket launcher		Standard
Stern hawser pipes and 12" stainless steel cleats		Standard
INTERIOR APPOINTMENTS		
Wood Finishes/Wall covering/Fabric/Flooring		
European Walnut open grain interior with a satin finish		Standard
Coordinated interior fabrics, wallcovering, flooring, and Corian countertops throughout		Standard
Integrated Interior Furnishings		
Full-sized tapered berth with assisted lift access to storage and drawers beneath		Standard
Hanging locker in forward stateroom		Standard
Mirrored storage cabinet over sink in head		Standard
L-shaped lounge in main cabin converts to double berth		Standard
Storage under settee		Standard
Design Features		
White or black windshield frame		Standard
Foredeck hatch, with retractable shade/screen		Standard
Hullside rod storage in forward stateroom		Standard
Rod storage cabinet and hullside rod storage in main cabin		Standard
Interior Lighting		
LED lighting in living areas		Standard
LED white lights in engine room		Standard
EXTERIOR APPOINTMENTS		
Helm and Mezzanine		
Molded fiberglass helm deck, hydraulically lifted with integrated access hatch		Standard
L-shaped lounge port side with storage below		Standard
Integrated helm station with palm beach controls and vessel interface systems		Standard
Pedestal mounted adjustable helm chair		Standard
Helm deck companion chair mounted on starboard cabinet		Standard
Molded-in, non-skid surface in cockpit and helm decks		Standard
Large helm deck starboard cabinet providing storage and refrigerator		Standard
Open helm deck with wraparound windshield and windshield wipers		Standard
Helm cabinet: Refrigerator and tackle storage		Standard
Lighted compass		Standard
Exterior Hardware and Anchoring System		
Aluminum bow rail		Standard
Anchor: 25' of galvanized chain, 250' of anchor line		Standard
Bow pulpit, heavy-duty DC electric windlass with remote switches from bridge and deck		Standard
Polished 12" stainless steel spring cleats (4)		Standard
Polished 12" stainless steel bow cleats (2)		Standard
Dual air horn		Standard
Exterior Lighting		
DC LED courtesy lights in helm deck area		Standard
APPLIANCES		
Internal Appliances		
Under-counter refrigerator and freezer drawer unit, microwave oven, and ceramic cook top in galley		Standard
Exterior Appliances		
Refrigerator in starboard helm deck cabinet		Standard
HULL/EXTERIOR		
Propulsion/Fuel Systems/Hull Design and Performance		
Solid fiberglass hull bottom with molded fiberglass construction foam core from chine to sheer		Standard
Covered by a CABO 5-year hull warranty		Standard
Ablative polymer/copper-based anti-fouling bottom paint		Standard
Premium quality molded-in white gelcoat finish		Standard
Molded fiberglass longitudinal stringers with steel engine beds		Standard
Bright white bilge and engine room finish		Standard
550-gallon fiberglass fuel tank constructed with fire retardant resin		Standard
Power steering		Standard
Bronze rudder with stainless steel shaft		Standard
Manganese bronze rudder ports with composite bearings		Standard
Steel couplings and manganese bronze and struts		Standard
Transom zinc		Standard
Alloy 22 high strength tapered propeller shafts with zincs and round keys for reduced stress concentrations at propeller and coupling ends		Standard
Electric Trim tabs		Standard
Nibral high-performance propellers		Standard
All underwater thru-hull valves are bronze/chrome through-bolted		Standard
Engine Room Systems		
FM200 fire extinguisher system with automatic and manual controls		Standard
DC exhaust blower		Standard
24VDC bilge pumps (3) and sump pump systems		Standard
Rubber deck mat between engines		Standard
Individual pickup for each engine, genset, and raw water-cooled equipment		Standard
Centralized drain system with single thru-hull		Standard

Water Systems		
11-gallon water heater		Standard
95-gallon polyethylene water tank		Standard
Pressurized fresh water pump		Standard
24V DC sealed shower sump		Standard
20-gallon holding tank with warning light, macerator, and dockside discharge		Standard
Holding tank 3/4 full indicator light in head		Standard
Electrical Systems		
One 220-volt, 50-amp, retractable shore cord		Standard
24-volt heavy-duty marine battery banks in fire-retardant fiberglass boxes (2)		Standard
Automatic battery charger		Standard
Battery-operated paralleling switch at helm		Standard
Battery-operated control panel with fuses, voltmeter, and isolation switches		Standard
AC and DC distribution panels with magnetic circuit breakers in main cabin		Standard
11KW Diesel generator (1) with noise enclosure		Standard
System Monitoring		
Systems monitor display with visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke and carbon monoxide detectors, and holding tank 3/4 monitor		Standard
Entertainment Equipment		
Omni-directional TV antenna		Standard
Fusion stereo system		Standard
Air-conditioning		
Interior air-conditioning in forward stateroom and main cabin (16,000 BTU)		Standard
Safety Equipment		
Braided nylon mooring lines (4)		Standard
Life jackets (6)		Standard
Fenders (4)		Standard
Portable "drychem" fire extinguishers (3), U.L. approved type in compliance with United States Coast Guard and ABYC standards		Standard
Handheld air horn		Standard

OPTIONS		
Interior Color Selection		
Sandstone color scheme interior		Standard
Slate color scheme interior		Standard
Exterior Color Options		
Colored hull gelcoat: Sea Foam Green with white boot striping and black bottom paint		Optional
Colored hull gelcoat: Telegrey 4 with black boot striping and black bottom paint		Optional
Colored hull gelcoat: Ice Blue with white boot striping and black bottom paint		Optional
Engine/Propulsion		
Twin Volvo D11 625 MHP		Standard
Twin Volvo D11 670 MHP		Optional
Twin Volvo D11 725 MHP		Optional
Twin Cummins QSM11 670 MHP		Optional
Twin Cummins QSM11 715 MHP		Optional
Joystick maneuvering system (compatible with any engine selection) includes autopilot—must select electric bow thruster (includes electric steering if Volvo engines selected)		Optional
Upgraded generator 12.5KW (without noise enclosure)		Optional
Electric bow thruster		Optional
Seakeeper		
Seakeeper 6		Optional
Seakeeper ready; thru-hull and electrical wiring complete		Optional
Tower/Navigation/AV Options		
Half tower with outriggers		Optional
Electronics navigation package (half tower)		Optional
Premium electronics navigation package (half tower)		Optional
Full tower with outriggers		Optional
Electronics navigation package (full tower)		Optional
Premium electronics navigation package (full tower)		Optional
Premium AV: 1400-watt, multi-zone with Fusion Apollo RA-770 with subwoofers		Optional
Helm/Mezzanine Options		
3rd helm chair (companion chair on port side)		Optional
Premium upgrade (2 chairs) pedestal-mounted helm chair and companion helm chair		Optional
Premium upgrade (3 chairs/includes 3rd helm chair option)		Optional
Ice maker in starboard helm deck cabinet		Optional
Helm deck air-conditioning 24,000 BTU capacity		Optional
3-sided enclosure with U-rollups (2 each) (requires selection of tower)		Optional
Full enclosure with U-rollups (2 each) (requires selection of tower)		Optional
Bait freezer under mezzanine seating		Optional
Eskimo ice machine: 500 LB per day		Optional
General Options		
Coaming padding, high-density foam, white vinyl covered		Optional
Swim platform		Optional
Blanket lockers in main stateroom, hullside storage over settee		Optional
Washdown, fresh water		Optional
Shrink wrap for export		Optional
Propeller installation and removal tool		Optional
Outdoor helm deck carpet		Optional
Bait preparation station with cutting board on tackle storage		Optional
Walnut and maple cocktail table with aluminum pedestal		Optional
Bow stateroom bedding package (includes mattress pad, fitted sheet, flat sheet, 2-pillow cases)		Optional
Electrical system: full 50 HZ 220V		Optional
Integrated rod storage in shower		Optional
